

Digging Deep Evaluation - Parent

Please mark all
that are true for you.

Using *Digging Deep* has helped my child:

- Express his or her feelings through writing
- Express his or her feelings through art
- Understand his or her illness/condition better
- Feel that s/he is not alone
- Feel more control over her/his wellbeing
- As far as I can tell, using *Digging Deep* has not helped my child

Using *Digging Deep* has helped me:

- Identify areas of concern for my child
- Connect with my child on issues which are important to him or her
- Communicate my child's concerns to his/her doctor
- Feel less anxious or stressed

As a result of using *Digging Deep*, I expect that I will be able to:

- Understand my child's feelings and needs better
- Talk to my child more easily and openly
- Talk more easily and openly with my other children
- Manage my child's care better
- Cope better
